Administrator's Note

In my role as District Administrator, I have many opportunities to attend community outreach meetings and discussions. The chance to interact with local politicians, business owners, law enforcement and County staff is vital to the interests of NHRPD. Collaboration and networking allow me the chance to share our District's vision, plans, goals and objectives with other stakeholders in our community.

As many of you know, NHRPD is governed by a five-member Board of Directors. We meet on the second Thursday every month at 6:30pm in the Recreation Center at 6040 Watt Avenue here in North Highlands. I highly encourage you to attend one of our meetings in the near future.

We have several projects in the planning stages, including the design and construction of our newest park at Sierra Creek. This grant funded project will add another community park to our District and will feature many outstanding amenities, including a community garden, an art component, an amphitheater, play structures for all ages and covered picnic areas for family gatherings and events, a restroom building and much more. As we begin the final design phase your input is vital to help us build a park that meets all our communities needs. I hope to see you at one of our upcoming meetings!

Sincerely,
Scott Graham
District Administrator

Park Master Plan Updates

The Park Master Plan project that has been in progress for the better part of the last year has been completed. This plan provides District staff and our Board of Directors a foundation for improving our existing parks and programs and adding new programs and facilities that meet the needs and expectations of our community.

A copy of the Master Plan can be found on the District website, nhrpd.org. In the coming months we will be forming focus groups to assist staff and Board to identify priorities, funding sources and timelines to move NHRPD into the future. If you have an interest to be part of this exciting process, please do not hesitate to reach out to me, Scott Graham, directly (scott@nhrpd.org, or 916-332-7440).
